

## **Darbys hit top spots!**

Oxford law firm Darbys Solicitors has just been promoted to even more “top spots” in the annual and influential survey of the legal profession called The Chambers UK Survey (<http://www.chambersandpartners.com/FirmProfile.aspx?fid=5802&ssid=34245>).

Darbys’ lawyers now feature in the top rank in the Commercial Property, Insolvency, Matrimonial, Clinical Negligence, Planning, Immigration, and Crime surveys, with other departments just behind these.

Darbys’ Managing Partner Simon McCrum says:

***“This is a great success for our people. It is also good that Oxford can call on such high quality lawyers in so broad a range of areas of law. Reaching and maintaining these levels of excellence is part of our promise, that we will deliver a great service, every time”.***
